Join us for our 5th Annual He Got Up! event. The Orlando Serve Foundation is continuing to serve our community. We offer help for those facing the consequences of unpaid and/or delinquent court cost fees and fines. Come experience Compassionate Restorative Justice.

This event is a collaborative effort with our Community Partners including the Courts, Government, Individuals, Faith Community & Businesses in Orange, Osceola and Seminole Counties. Activities and services will be available for families. Children are welcomed.

Free food will be served.
